

SECTOR MURETE EXISTENȚE A DEMOLER

Diagram illustrating a demolition project. The drawing shows a grid of squares representing a site plan. A vertical line is labeled "SECTOR MURETE EXISTENȚE A DEMOLER". The plan includes several rectangular areas labeled A, B, and C. A demolition path is indicated by a line with arrows, showing the direction of demolition from the existing wall towards the right. The path is labeled A, B, and C at different points. A north arrow is located in the bottom right corner.
